

COMPLETE FOOTBALL

Corporate Events

At Complete Football our Corporate Events are tailor made to your specification, meaning we can cater for any event regardless of size or duration. With a market leading product range, we have packages to suit all budgets.

Simply Football

In order to make your event run smoothly we will dedicate an experienced event manager to oversee your event. With the use of our Event Organiser Software, we will formulate your match fixtures and calculate the final scores using a live results service, you can even log in to your account after the event and download all of your results and relive the special day.

We provide match balls, numbered bibs and first aid cover for the duration of the event. FA Qualified Referees will officiate the event, whilst ensuring that all players are fully briefed on the match rules and regulations. There will be trophies available for winners and runners up.

" Prices from £35.00 per team of seven players (Subject to VAT).

Complete Football

At Complete Football we are also able to offer products and services that incorporate the full use of our facilities. In preparation for your event we can offer your players changing rooms and the Players Lounge as a meeting point. Additionally with our state of the art technology we can record those golden moments and replay them back in our Players Lounge on Complete Football TV.

On completion of your event you will retire to the Players Lounge for a presentation ceremony and evening party including a buffet (Menus available on request). We can also offer complimentary day passes to Complete Fitness.

" Prices from £50.00 per team of seven players (Subject to VAT).

For the ultimate experience

Why not relive the 1966 World Cup with your very own re run event? Represent a Country wearing their replica strip with the winners even receiving the Jules Rimet replica trophy.

We also offer 6 a Side Masters; we can also cater for 9 and 11 a side tournaments/ events for the ultimate day of football.

Speak with your Event Manager for further details.
