

CF Wednesday News

Last Week

Last week's fixtures again threw up some shock results, to leave the league wide open. Any one of 8 teams will still fancy their chances of League glory with Cement Heads topping the Division and remaining the only unbeaten side after they beat the champions Borussia Teeth 11-7. The Green Rockstars are now only 1 point off the lead after a 10-6 win over Helmets who are on a poor run of form. Callagher sit 4th after a surprise loss to Rockbottom, 12-7. The Damned United enjoyed a decent win over bottom of the table Sporting Leazes and Rooftech narrowly beat Telecom terriers.

This Week

6.45pm - All 8 contenders for the title go into this week optimistic of enhancing their Championship aspirations. Callagher in 4th play Helmets in 5th with both teams former winners of this League hoping to improve on last week's results. Defeat for one of these teams could leave them a long way off top spot!! Rooftech vs Rockbottom could be an interesting game with both teams seemingly showing Jekyll and Hyde form. Both enjoyed fine wins last week and will be looking to extend their unbeaten runs.

7.30pm - It is top vs Bottom at 7.30pm when Cement Heads face Sporting Leazes, Cement heads are the last remaining unbeaten team and will no doubt be looking to extend their unbeaten run, Sporting Leazes have been unlucky over recent weeks and will think themselves a tad unfortunate to be cut a drift at the bottom, the lads headed by Oliver Wildblood will be hoping for a better 2nd half of the season and certainly have the capability to give the league leaders a scare! The other 7.30pm kick off sees old foes re-commence their rivalry when Green Rockstars face Borussia Teeth. With both teams 1 point off the top this really is a key game. Green Rockstars ran Borussia teeth all the way last season eventually finishing 3rd and are in good form going into this game. Defending Champions Borussia Teeth have went through a slump as of late and have found themselves off top spot, Tom Claspers men will be bang up for this and will fancy their chances of a result.

8.15pm - The 8.15pm kick off sees 2 in-form sides meet. The Damned United have played their way into contention with a recent good run and although in 6th place only find themselves 4 points of the lead. After a poor start to the season Telecom Terriers have put a decent run of form together. Although beaten last week they still find themselves only 4 points off the lead in 7th place. Both sides will feel that if they can put a run of form together they stand a great chance.

News
