## Leagues

Small sided leagues are still one of the fastest growing sports, encouraging participation from a wide variety of ages and backgrounds. All leagues are FA County Affiliated and officiated by FA Qualified Referees. We provide a fun, safe and organised environment for our customers to play.

League divisions are provided to a variety of different age groups from junior football to veterans and covering men's, ladies, boys and girls leagues. Division sizes vary due to each individual league type.

Our leagues are one of our most important products in which we sell, manage and develop. Customer service and knowledge is of paramount importance to the success of our leagues.

A designated manager is given responsibility of a particular league, booking or evening and these are called our league secretaries. They are a constant point of contact for our teams, so should you have any queries or problems then please do not hesitate to ask.
